

The Tampa Bay History Center received a free Energy Audit and money-back rebates for installing energy-efficient equipment.

TAMPA BAY HISTORY CENTER

OUR BUSINESS IS TO HELP Your Business Save.

FREE COMMERCIAL ENERGY AUDIT

We'll evaluate your electric usage and provide you with the tools to understand your business's energy usage, equipment, and processes. Whether a restaurant, retail, or manufacturer, we are here to provide you with solutions to reduce your energy costs. In addition, we'll explain the many rebate programs available to you.

PAID ENERGY AUDIT

In addition to the measures you'll receive with the free audit, we'll sub-meter and monitor* energy-consuming equipment. Our analyst will evaluate equipment size and operating hours, identify process inefficiencies and more. Once monitoring is complete, we'll recommend steps you can take to maximize your energy efficiency. A typical paid audit starts at \$75.

**Available on equipment or panels < 480 volts.*

OTHER ENERGY-SAVING PROGRAMS THAT OFFER MONEY-BACK REBATES

Smart Thermostats:

Monitor and control the temperature of your facility from anywhere and minimize energy waste.

Variable Frequency Drive Control for Compressors:

Maximize your production efficiency and reduce your electricity for compressor-based electric equipment.

Facility Energy Management System:

Increase the energy efficiency of your equipment, save on maintenance and operating costs, and improve your indoor air quality.
