TAMPA ELECTRIC

LIFE RUNS ON ENERGYSM

We can help you find the balance between comfort and conservation.

Participate in our free Home Energy Audit and receive eight energy-saving light bulbs.

Balancing the comforts of life with the need to save energy is easier with energy-efficiency programs like Tampa Electric's free Home Energy Audit. Just for participating, you'll receive eight free compact fluorescent light bulbs. Learn more about this and other conservation programs, including Heating and Cooling, Ductwork and more, at tampaelectric.com.

Our energy-efficiency programs are some of the many ways we're balancing increased demands for electricity with our commitments to affordable rates and environmental stewardship. We utilize diverse fuel sources, continue to explore renewable energy options, and are making a 10-year, \$1.2 billion investment in cleaner processes and technology. By working together, we can all do our part.
