Rate Information for Commercial and Industrial Customers

Tampa Electric has several rate schedule options for our commercial and industrial customers. Depending on the amount of electricity your facility requires, we select the appropriate commercial or industrial rate schedule for you. (Your rate schedule appears in the center portion of your bill, under "New Charges.")

After you review the rate schedules listed on the reverse side, Tampa Electric's Business and Industry department can discuss any questions you have regarding your account and the charges involved. To speak with a representative, please call Tampa Electric at one of the numbers listed below.

Hillsborough County (813) 223-0800

Polk County (863) 299-0800

All other counties and out-of-state 1-888-223-0800

These rate schedules are subject to gross receipts taxes, city and state taxes, and franchise fees, where applicable. A late payment charge may be applied to any unpaid balance on your electric bill that is not paid by the past due date.
