Energy PlannerSM:
With the help of an advanced programmable thermostat, Tampa Electric's Energy Planner program lets you control the operation of your central heating and cooling system, electric water heater and/or pool pump when varying prices for electricity are lower than the standard rate. Because lower rates are available 87 percent of the time, you have the opportunity to save money on your electric bill. Learn more at tampaelectric.com/energyplanner.

City tax and other fees may appear on your actual bill
