I understand the Primary Unit cannot be purchased but must be leased for a minimum lease term of 24 months. The Primary Unit is not to be returned to Tampa Electric Company. All plug-in surge protectors are the property of the customer after payment. All warranties are provided and serviced by the manufacturers. See warranty information for details.

Customer Signature _____

- The **Multimedia plug-in** protector is compatible with all cable TV systems and includes both coaxial cable and telephone line protection. This HDTV ready protector can be used for VCR, DVD players, cable/antenna line, stereo equipment, computers, modems, answering and fax machines. \$49.95, plus tax, each.

- The **Deluxe Satellite plug-in** protector is also HDTV ready and compatible with the most current satellite receivers. This protector is required for Digital Satellite Systems (DSS). \$79.95, plus tax, each.

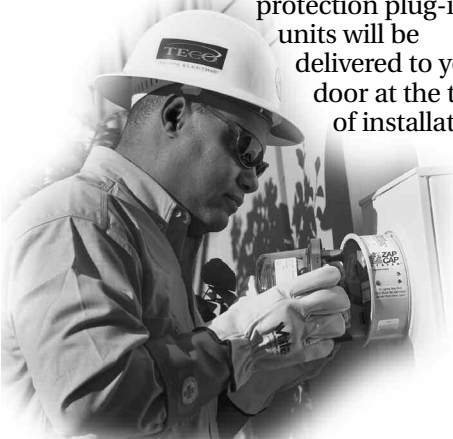

All plug-in protectors feature diagnostic lights and protect or disconnect circuitry.

**The primary unit is owned and maintained by Tampa Electric Company and cannot be tampered with in any way and is not available for purchase.*

***All plug-in surge protectors are the property of the customer after payment.*

System Installation

Tampa Electric will install your primary unit within ten working days from order date. You do not need to be home during installation. Surge protection plug-in units will be delivered to your door at the time of installation.

The Basic System

Zap Cap Systems® surge protection, available to Tampa Electric Company's residential customers, includes:

- A Primary Unit*, installed behind or near your electric meter, leased* through Tampa Electric for \$6.95, plus tax per month, and a one-time installation charge of \$44.95 plus tax. Minimum of 2-year commitment is required.

NOTE: Depending on the size of the electric service to your home, you will receive one of the following primary units.

Meter based unit for homes 200 Amps or less

Hardwire unit for homes with greater than 200 Amps up to 400 Amps

- Your choice of one Multimedia plug-in protector** at no extra charge. Or, choose the Deluxe Satellite plug-in protector** as part of your initial installation package for a special rate of only \$30.00, plus tax.

Customize Your System

All electronic equipment must be plugged into a Zap Cap Systems® plug-in protector** to qualify for the manufacturer's warranty coverage.

- The **Single-outlet plug-in** protector is designed to help protect general household electronics including microwave ovens, clock radios and garage door openers. \$11.95, plus tax, each.
