MEDICAL WATCH
for Customers Using Life-Sustaining Equipment

HELPING YOU STAY INFORMED AND READY

If you or a loved one rely on life-sustaining electric-powered medical equipment, enrolling in our Medical Watch program is an important step.

Medical Watch Benefits

- Provides advance notice of electric interruptions due to scheduled maintenance
- Notifies you if power interruptions may occur due to unpaid bills
- Allows you more time to plan and take steps to protect your health during an outage
Eligibility Requirements

- The household must include a resident who depends on life-sustaining medical equipment that runs on electricity
- That resident's eligibility must be certified by a Florida-licensed physician

IMPORTANT: Medical Watch does not guarantee uninterrupted service, backup service, priority service restoration or extended payment options. We encourage everyone to have an emergency plan and to have ready any needed backup power and equipment.
