FLORIDA CONSERVATION and TECHNOLOGY CENTER

Open to the public between
November 1 - April 15

- 1 **Manatee Viewing Center**
Enjoy boardwalks, educational building, café, gift shop and more.
- 2 **Tom Hernandez Clean Energy Center**
See a working lab for renewable energy with interactive games, a solar flower, flow battery and nearby wind turbine.
- 3 **Wildlife Observation Tower**
Climb 50 feet high for a stunning view across Tampa Bay.
- 4 **Kayak Launch**
Tour the waterways with our preferred guide.
- 5 **FWC's Suncoast Youth Conservation Center (SYCC)**
Visit an interactive education building and learn about SYCC field trips, summer camps and family programs.
- 6 **FWC's Marine Fisheries Enhancement Center**
View an indoor fish hatchery and labs for spawning and growing fish.
- 7 **The Florida Aquarium's Conservation Campus**
Learn about sea turtles as they're nursed back to health, and the spawning of at-risk coral.
