

Build extra value into each home

Give homebuyers extra satisfaction with an ENERGY STAR® Certified Home. Join thousands of builders who:

- **Reduce construction costs** – Save on lumber costs and offer savings through right-sized heating & cooling units and more.
- **Minimize costly call backs** – ENERGY STAR builders report fewer comfort-related complaints.
- **Earn a rebate for each home** – Tampa Electric will pay you \$850 for each home that receives an ENERGY STAR certificate.
